**Date:**

## ACKNOWLEDGEMENT

First and foremost, I would like to thank the Almighty for showering his blessings and helping me to pursue and complete this project “**Nationwide Unified Voting System Using Blockchain and AI-Driven Face Recognition**” successfully.

The successful completion of any task would be incomplete without mentioning the people who made it possible. We thank this privilege to express a few words of gratitude and respect to all those who helped us in completion of this project.

With profound gratitude, I thank **Dr. A. SIVAKUMAR, M.E., Ph.D., M.I.S.T.E., PRINCIPAL**, Christ College of Engineering & Technology, who has always been a constant source of inspiration not only during the project period, but also in academic activities.

I am greatly indebted to thank **Mr. C. SENTHIL KUMARAN, M.C.A.**, Senior Assistant Professor & Head, Department of Computer Applications for his valuable time support, encouragement, excellent guidance and ideas, which enabled me for the successful completion of this project work.

I express my deep sense of gratitude to **Mr. C. SENTHIL KUMARAN, M.C.A.**, Senior Assistant Professor, Department of Computer Applications for her valuable guidance, advice, support and encouragement he had offered throughout my project work.

It's my duty to thank my **parents** and my **family members** for their rich source of inspiration and advice.

Last but not least I wish to thank all my friends for their constant source of encouragement and motivation to carry out this project and for their timely help at critical situation.
